FAYE

Can you guess where Faye's from? That's right – she's British through and through! So is this get-up meant to influence our choice in the forthcoming Euro referendum, Faye? "Not really – in fact I'm not sure which way I'm going to be voting yet. On the one hand, I can't see why we need Europe telling us how curvy our bananas ought to be, but at the same time, I'm all in favour of closer ties with Europe – European men, at any rate!" Well thanks to these pics, at least all our tummy bananas are nice and straight!

PARKING MEAT HER!

I have quite a high-powered job in the City. We have a private car park at work manned by a young lad called Richard.

I had noticed Richard undressing me with his eyes but he was too shy to do anything. So I decided to grab the bull by the horn, so to speak.

One morning last week I arrived early at work to find Richard in his hut drinking tea. "I know you want me, Richard. Well you better fuck me good or you're sacked!" I

told him.

Without a word I walked over to him and undid his trousers. They dropped to the floor and his already hard 7-inch cock sprang out.

I sucked his dick real hard and deep and then I licked his balls and rubbed my nails around his arsehole. Then I perched myself on the old wooden table.

I ordered Richard to eat my pussy.

He did exactly as he was told, licking and for all he was worth, making me cum all over his face several times.

I then bent

over the table with my skirt up around my waist and my knickers pulled to one side. I told Richard to fill my pussy with his warm cum.

His cock slipped easily into my wet pussy and he started to thrust, slapping his balls up against my bum as he did so. Meanwhile I rubbed my clit frantically and it wasn't long before as I felt my cunt walls starting to contract again as another climax approached.

As I came noisily Richard pounded harder into me and I soon felt his spunk shooting inside me.

I had to spend the rest of the day with spunk dribbling from my pussy, but it was well worth it. Richard kept his job, by the way – and he's continuing to perform all his additional duties admirably.

Liz, W. Mids.

EVERY HOLE'S A GOAL!

One night my husband Paul said that he was going to the pub with his mate to watch the football. I asked if I could come, and he said I could as long as I dressed for the occasion. When I came down the stairs the bulge in his pants told me I looked good.

I had an England football shirt on, a very short, tight black skirt and my England panties, which came into view as I bent over to fasten my black stilettos.

When we got to the pub I sat at a table in the corner while he went to the bar, making sure that when he looked at me he got a good look at my red, white and blue thong.

Before the football began Paul's mate, Rob, was trying to score for himself under the table,

home to watch the action in private. We all hurried out of the pub and got a cab home.

Once home, Paul went to get some drinks as Rob and I got down to some action of our own. I took my wet panties off and begged Rob to carry on fingering my dripping cunt.

But he said that he wanted to taste my juices instead. He went down on my cunt,

By now I was so horny I needed a good fucking. Both my husband and his mate were desperate to ram their meat inside me.

There was only one way for a horny slut to take it – up both holes.

I positioned myself above Rob, who slid his huge cock into my aching pussy. Paul then got behind me and eased his long tool inside my wet arsehole.

It wasn't long before I was bucking like a horny bitch and I lost count of the number of times I came. To celebrate they both showered me in their cum.

Paul didn't know that I had shaved my pussy but as Rob's hand rose higher up my leg I knew that it wouldn't be too long before they both found out.

Rob's finger slid into my smooth wet hole with ease.

I tried to open my legs wider so Paul could see his mate finger his wife's cunt.

This was too much for Paul, who suggested going

OR EMAIL ESCORT@PAULRAYMOND.COM

It'd not too often a UK porno starlet gets a (non-porn!) film made that's all about her, but Brighton-based moviemakers Three Wolves have just released Daisy all about Daisy Rock. If you've ever wanted to know just what it's like working in the industry, this film will provide plenty of answers as it follows Daisy around and examines just what it's like being her! It'd been hailed as the greatest film about the porn film ever, and it's available on Amazon now!

TRANNIES BATTERED!

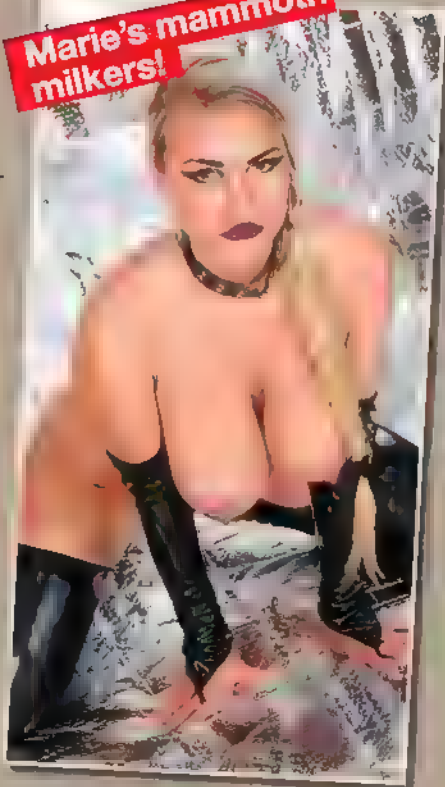

OK, we admit it, this is a little bit off the beaten track as far as we're concerned, given that the flick features just the one pussy and a whole slew of cocks getting rather too close to each other. That said - nearly all the cocks in question are attached to rather eye-pleasing trannies who, if you didn't know

better, you'd assume were just cock-mad strumpets. So if you fancy something a bit different now and again, these chicks with dicks certainly provide plenty of diversion - not to mention arse-busting perversion!

Marie's mammoth milkers!

I was absolutely blown away by the spectacular chestage on your model Marie in the latest issue! It's rare to find a girl with such magnificent funbags that haven't seen the surgeon's knife, and that aren't too droopy at the same time, but Marie's had exactly the right size and shape to keep a tit man like me happy for the rest of his life. What I wouldn't give to be able to slide my aching prick between them and pump them for all I was worth before sending a thick cascade of creamy spunk all over Marie's pouty but beautiful face! Please let's see more of her in Escort soon!

Michael, Dumbarton.

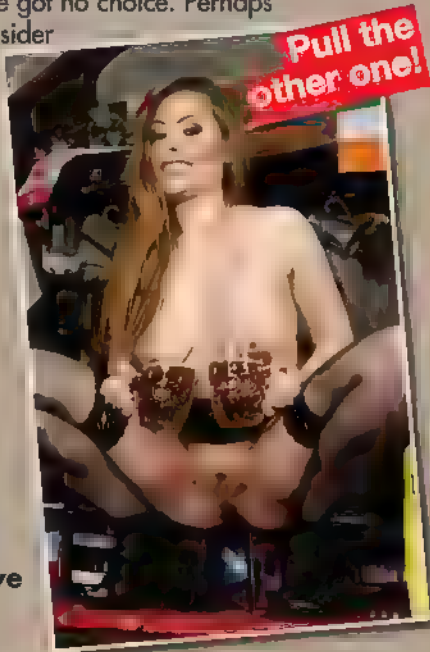

They sure are a top set, aren't they? We're very much hoping Marie'll be returning soon so we can get our hands on them!

DEAR JULIA

I wish Sophie worked in my boozer – we've just got a right miserable bloke called Alan pulling pints. Unfortunately it's the only pub within walking distance, so we've got no choice. Perhaps Sophie might consider doing a national tour, pulling pints for red-blooded guys all over the country? I'd certainly pay a premium for the pleasure of having her pull mine – not to mention my pint as well!

Ray, Shropshire.

I bet she'd love to – your pint that is!

REAL WIFE SEX

Frankie's craving some old cock!

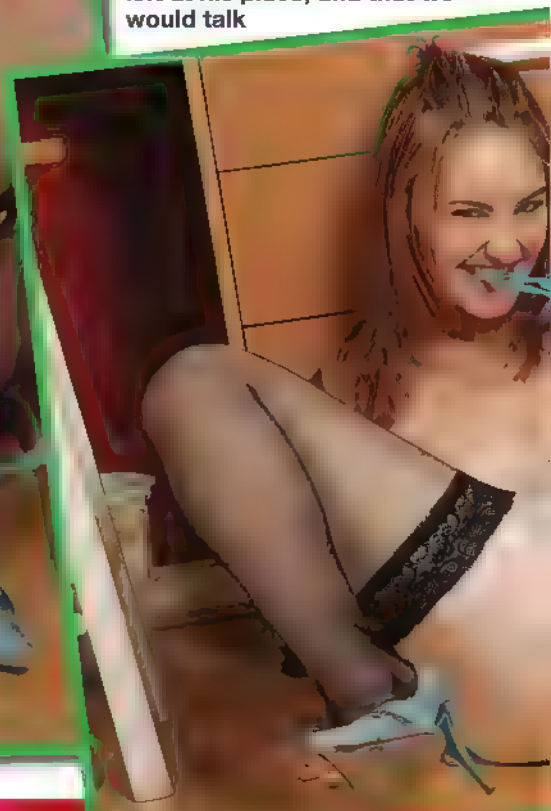

"His cock was so thick, hard and erect that I involuntarily licked my lips..."

My boyfriend is really great, but lately I have found myself fancying his dad. I know it's odd to fancy someone who is old enough to be my own father, but Robert's dad is nothing at all like mine. Robert's dad has all his own hair and teeth, and is so handsome and attractive that I just couldn't help myself. Initially I felt a little guilty, but last week I took fancying him to a whole new level, and actually had it off with him.

Besides, it was Robert's own fault, for not telling me that he was going to bunk off with a friend for the weekend, and not giving me time to arrange something else to do for the time he was away.

Robert's parents are divorced, and he still lives at home with his father, who, unlike my parents, is pretty unrestrictive, so we hang at Rob's place on weekends. As Robert only called my mobile after I had already set out for his house, I was furious, and told him that I was going to his place anyway - to pick up any of my stuff that I had left at his place, and that we would talk

about our "relationship" come Monday.

I was in a sulk by the time I got to Rob's, but when his dad Stuart opened the door for me, a new plan for the weekend formed. As always Stuart welcomed me warmly, and apologising for his son, asked me if I would like to join him for a drink.

Things were going just as I wanted, and I accepted the drink, giving him my brightest smile. As he poured out my wine I sighed and pretended to be deeply hurt by Rob's selfishness, telling Stuart that now I had nothing to do all weekend as my girlfriends were all seeing someone. Stuart looked concerned and came to sit by me, putting his arm around me and insisting that I stay for the weekend as usual... and promising to try to entertain me.

The first thing he did was to order a Chinese and pour me more wine. It was fun seducing Stuart, as he has some very old fashioned scruples, but by the time we were on our second bottle of wine and I had drawn his attention to my thighs and tits a few times he was more than up for it.

I had never been with anyone but Rob before, and he's just 18, so seeing Stuart's hard muscular chest, fit abs and powerful arms made my eyes blink and my pussy damp, but when he slid out of his boxers I almost fainted with lust. His cock was so thick, hard and erect that I involuntarily licked my lips, and his hips and thighs so well muscled that my pussy began to contract just at the thought of his thrusting power. The allure

"I was not disappointed when he thrust inside me."

of the older man was all too obvious now and I allowed him to strip me slowly, feeling almost like a virgin again as he confidently removed my clothing, caressing my skin as he dropped each item to the carpet.

Then he picked me up, and, kissing me deeply, carried me upstairs to his bed. It was a big bed and I felt small and innocent lying there as he climbed on top of me. His powerful arms looked like pillars as he held himself over me and my pussy juice dripped in anticipation as his powerful thighs pushed

my legs wider apart. As his hard knob pressed against my pussy lips, my body quivered in expectation, and I was not disappointed when he thrust his powerful tool inside me!

It slid between my soaking wet labia easily, and my clitoris throbbed from the friction his massive member created as he sawed his rigid shaft in and out. My back arched and my arse-cheeks tightened as my pussy contracted around his thick cock, and

STRAP BANGING

One Monday morning my usual boring routine took a fucking horny twist.

I was waiting for my bus into town. When it turned up my jaw hit the floor. I recognised the driver as a lusting lezzie I had briefly met at a nightclub.

She had been up for

a good fucking on that occasion but it never happened. I remembered her name was Charlie and she looked just as sexy now as she did then.

She eyed me up and down in my tarty work clothes (short skirt and blouse well unbuttoned). Winking at me, she let me off the fare and I went and sat at the back.

She obviously remembered me, and I sat in the middle of the seat so she could see me in the mirror. My skirt rode up and I spread my legs enough for her to see my knickers.

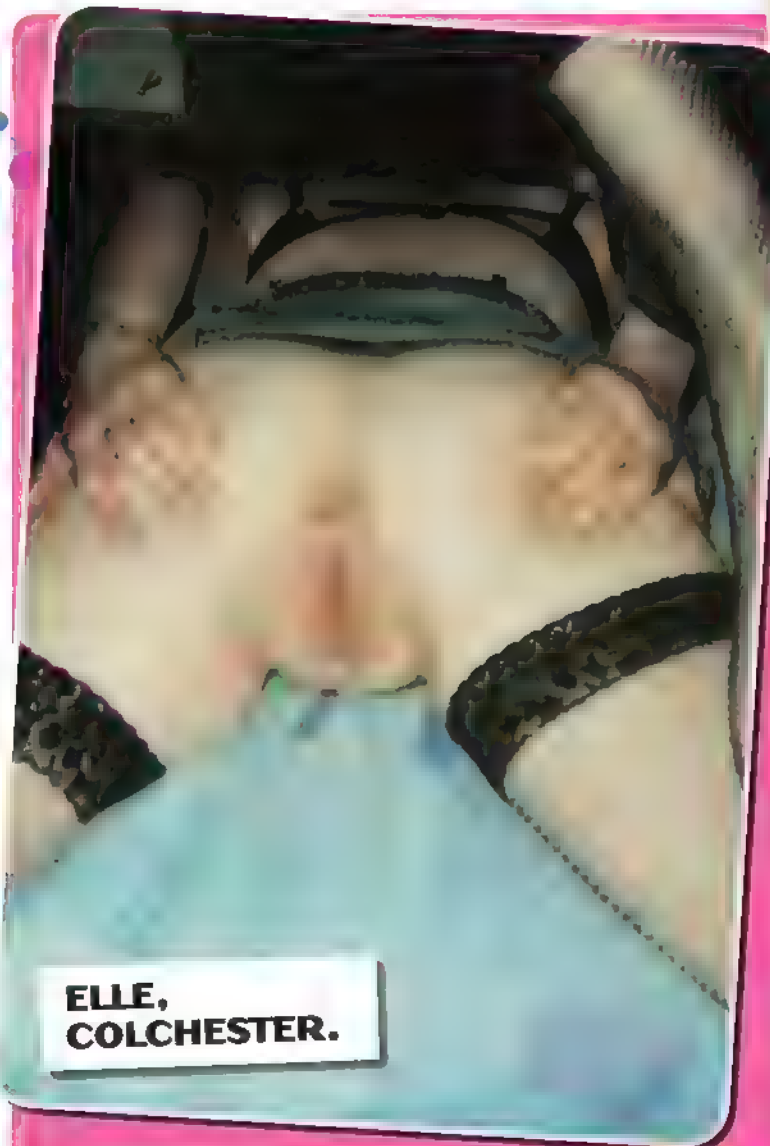

I was very wet and horny. Gradually all the passengers got off except me. I stayed on the bus until Charlie drove it back to the dark, damp, oily depot.

She turned off the engine and told me to stay where I was. Coming back from her car with a bag slung across her

shoulder, she told me to go up to the top deck.

Following me up the stairs, she shoved her fingers up my skirt and into my juicy pussy. Then she pushed me onto a seat so I was on all fours.

She spread my legs and ripped my arse cheeks apart so she could fill my wet

pussy with her warm tongue. She pushed her tongue in and out, fucking me with it.

I wanted to show her what I could do so I turned around and pulled her pussy and arse down onto my face. I stuck my tongue inside her and flicked it all around her pretty pink pussy.

Her cum dripped into my mouth and I sucked every last drop out of her – tasty! Then she opened the bag – dildo heaven! There were

"all kinds in there – small, big, very big (my favourite!), double-ended ones and a huge strap-on.

"Strap it to me, slut!" I ordered when my eyes fell upon the 10-inch strap-on. Charlie fastened it to me and then knelt in front of me with her arse swaying.

I leant over and, spreading her cheeks, started licking her arse. She was going crazy thrusting her desperate arse into my face.

The slutty butt-fucking whore obviously wanted strappy shoved deep and hard in her arse.

I made her sweat for a while because I wanted to fuck her pretty pussy sore first. Gently I eased all 10 inches inside her, but after that I just gave it to her hard.

Soon she was begging me to fuck her horny arse. So I pulled the monster strap-on out of her swollen pussy and flipped Charlie onto her back.

Her legs were high in the air with her feet over the top of the seats. I smeared some cunt juice around her arsehole and over the strap-on before sliding all 10 inches in.

With her legs held high she grabbed hold of my arse and pulled me deeper, faster and harder inside her arse until I could go no further.

She screamed and came again and again while I fucked her butt hard.

Her juices splurged out all over the strap-on and my juicy pussy, mixing with mine.

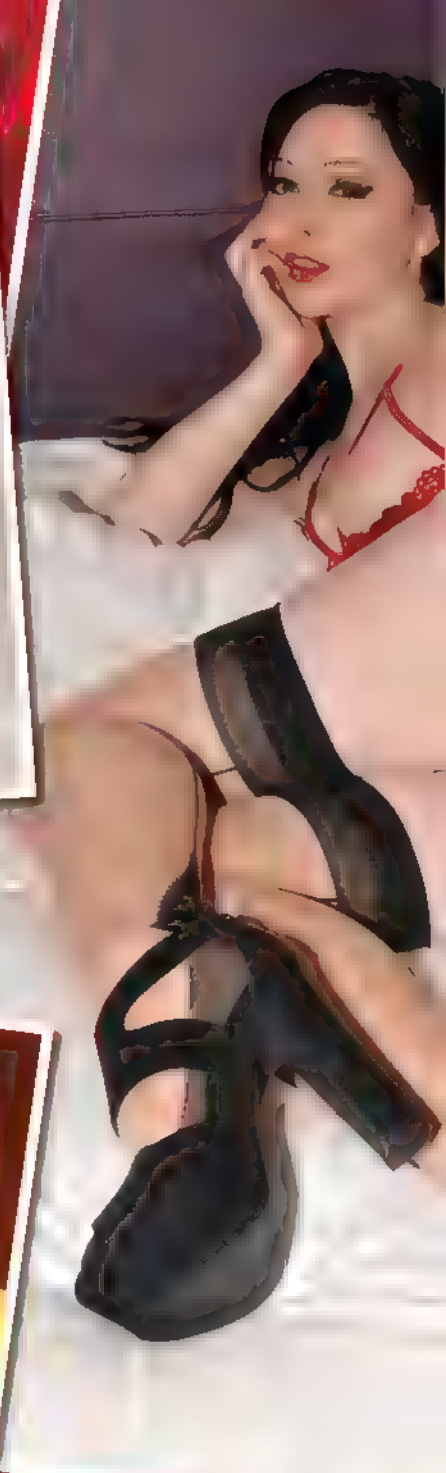

Any girls or guys wanting similar treatment or to fill my holes, contact me because I'm well up for twosomes, threesomes and foursomes!

Elle, Colchester.

ALFRISKY

I have to tell you about the fantastic experience I had with my boyfriend John recently.

I like posing for him and he loves taking photos of me, so one day we decided to head out into the country to take some saucy outdoor shots.

We drove to a tourist spot not too far away, a huge mansion with beautiful

denim jacket to reveal my tits and hard nipples. After a few poses I was feeling wet so I hitched my skirt up and showed John my shaven cunt.

He kept encouraging me to go further and before long I had my skirt off so I was only wearing my jacket and my trainers.

I was getting very horny and my wet cunt glistened in the sun.

"JOHN BURIED HIS HEAD BETWEEN MY THIGHS."

gardens that are open to the public. We felt daring so we decided to take some there.

It wasn't that busy and the grounds are huge so there were plenty of opportunities to flash for the camera. We found a nice quiet spot with plenty of light and began.

First I unbuttoned my

John had been fighting his boner for a while but suddenly he just gave in. Putting his camera away, he came over to me and told me to sit on the bench we'd been using.

I sat back and spread my legs wide. John buried his head between my thighs and started tonguing out my cunt. When he found my clit I pushed his head hard against it.

I told him to keep tonguing because I was going to cum. A few seconds later I orgasmed and John came up for air with juice all over his mouth and chin.

I kissed him and tasted my sweet juice on his lips and tongue.

Then it was John's turn to sit on the bench while I went down on him.

I undid his jeans and let his big cock spring out. Grabbing the base of his hot shaft, I ran my tongue teasingly up and down his length and around his helmet.

Suddenly John told me there was someone watching us from behind a tree. I thought he'd want me to stop but his cock just got harder and he told me to keep sucking.

The thought of being watched while I sucked my boyfriend off made me feel as randy as a rabbit. I put on a show, wanking and deep-throating John like I was in a porn movie.

"Show him your arse!" said John. I pulled up my skirt and presented my arse and cunt to the peeping Tom. Then I slipped a finger inside my cunt and started wanking.

Suddenly John told me he was going to cum. He pulled out of my mouth and turned me sideways so the stranger could get a good view.

John tugged his cock and then shot reams of ribbony man-fat all over my face.

I opened my mouth and caught some, and then I licked his cock and balls clean.

I turned round just in time to see the peeper. He was standing next to a tree openly wanking. Just as I turned round he started cumming everywhere.

His jism flew through the air and landed on the grass. Then he just tucked his cock in and walked off.

That was such a horny experience and now I can't stop flashing in public - so keep an eye out!

Becky, Dorset.

BECKY,
DORSET.

NATALIA

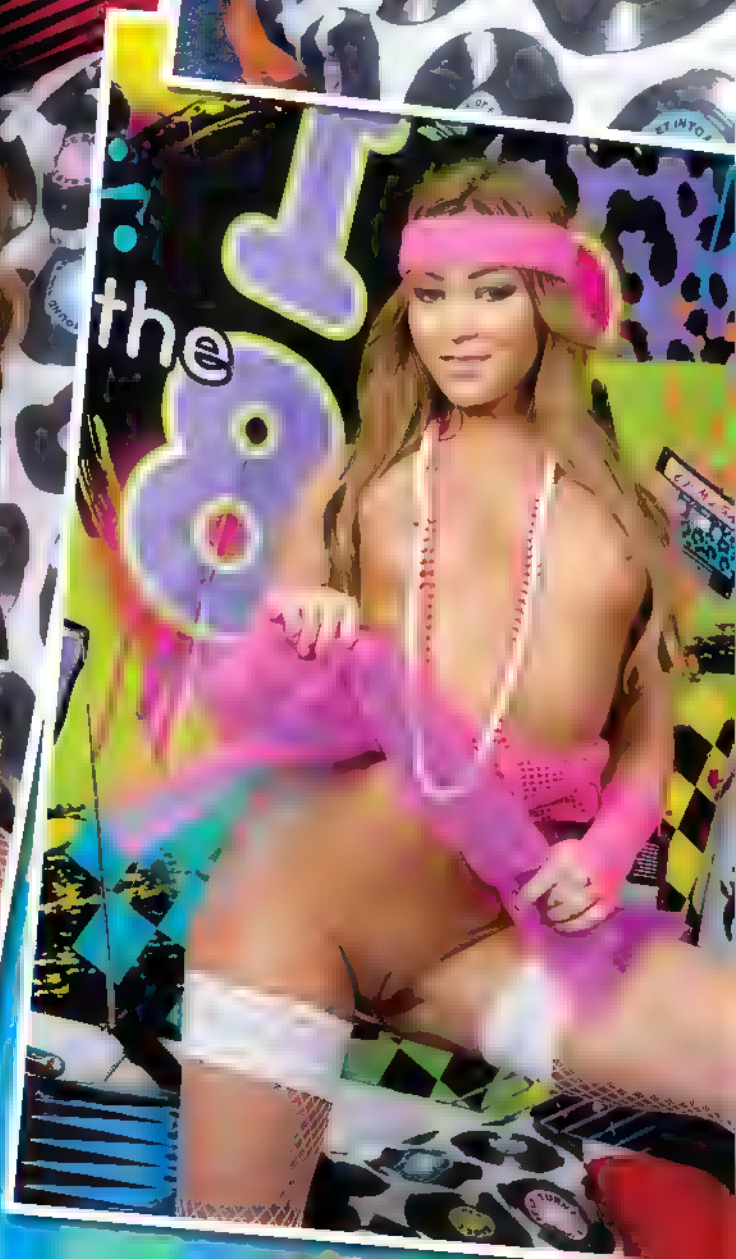

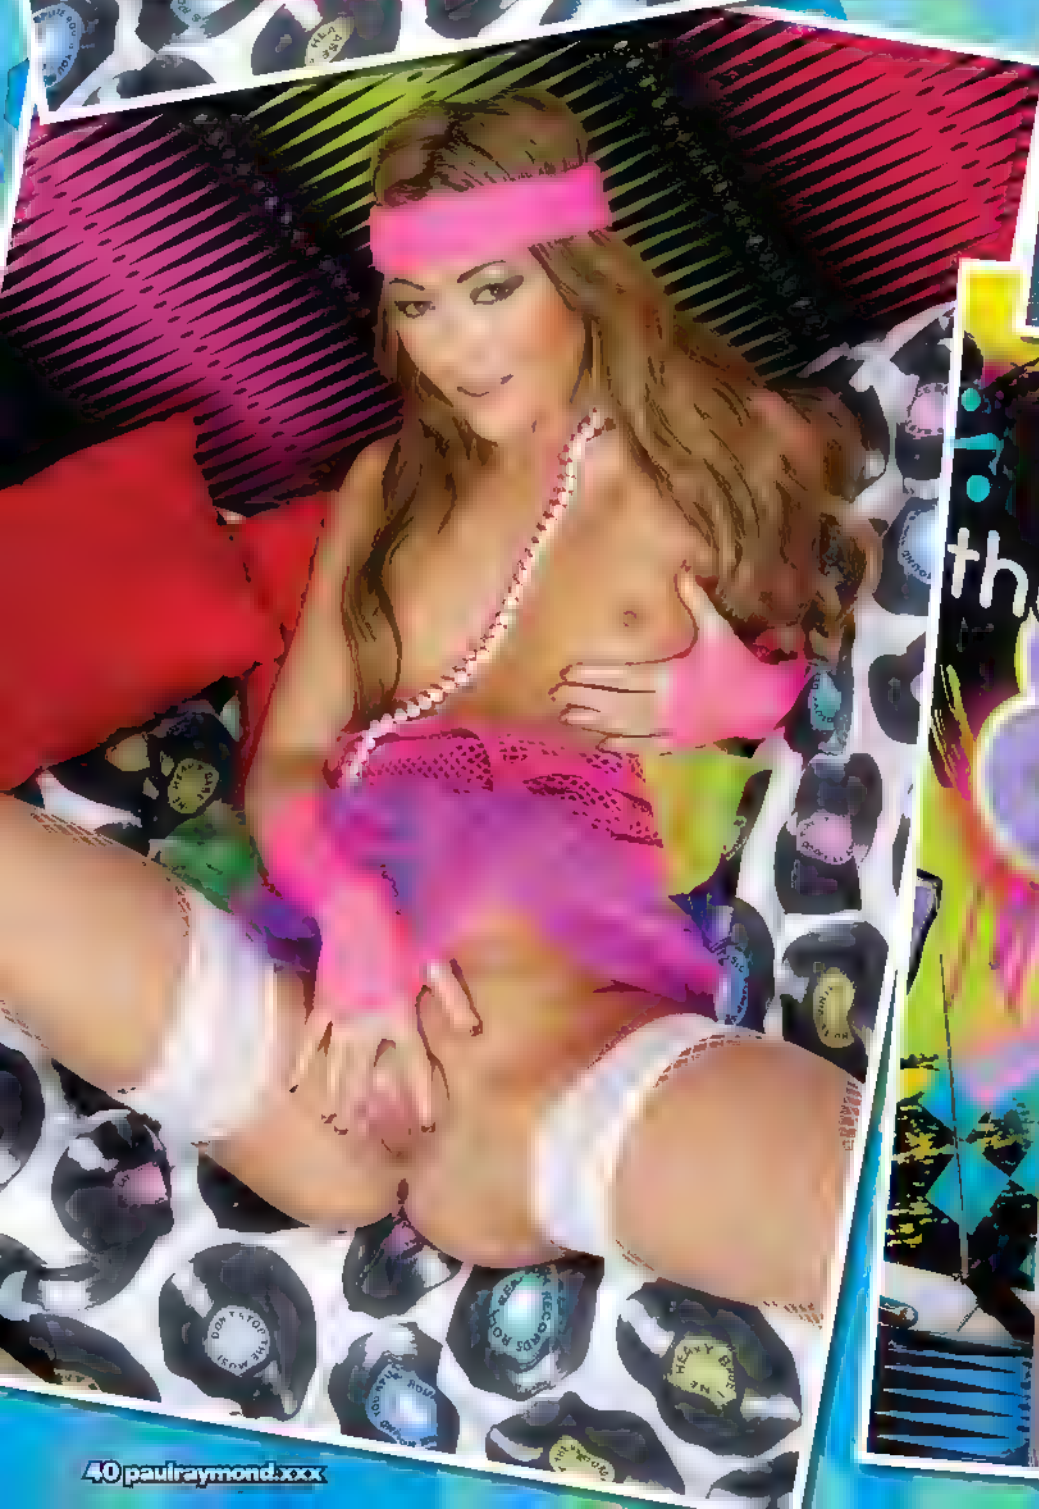

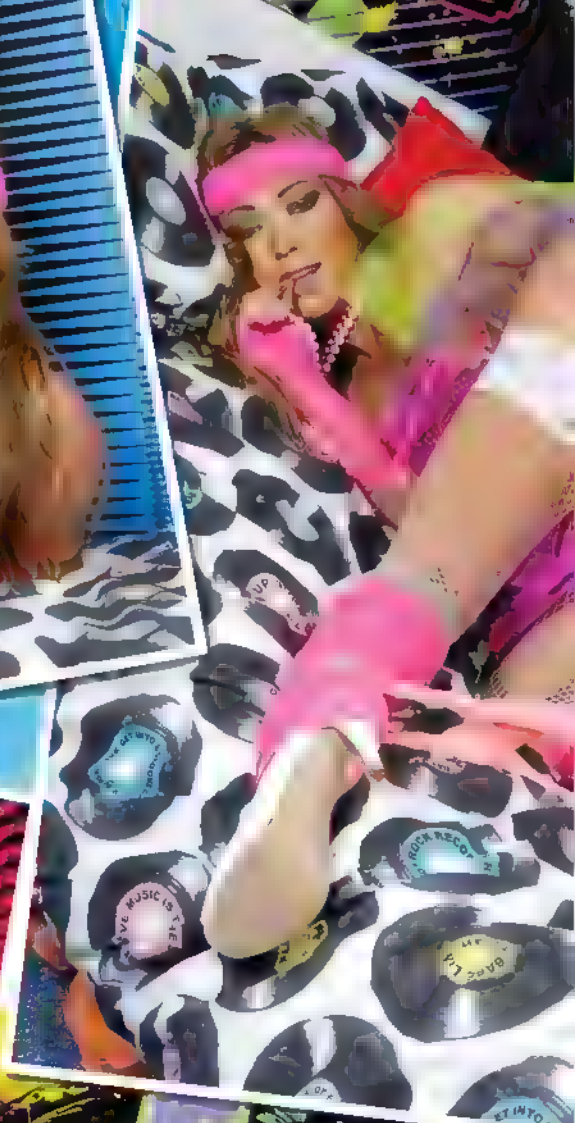

What? Have we fallen through some sort of wormhole in time and woken up, *Life On Mars*-stylee, back in the 1980s? Surely not, because if this were the 80s, the ever-horny Natalia Forrest still wouldn't be a twinkle in her old man's eye!

"So is this what the 80s was like then?" she asks. "It's a lot more fun than I'd imagined – I thought it was all just miners' strikes and unemployment!"

Well, there was a good bit of that alright – and thinking about it the 80s certainly weren't this much fun. Then again, there aren't too many things that are this much fun, are there?

REAL WIFE SEX

Stuart's story continued from page 22

might be fun, and who better to experiment with than someone as experienced as Stuart. He started by licking my pussy and getting me very excited. I loved the feel of his tongue against my pussy and when he concentrated on my clit I grew so

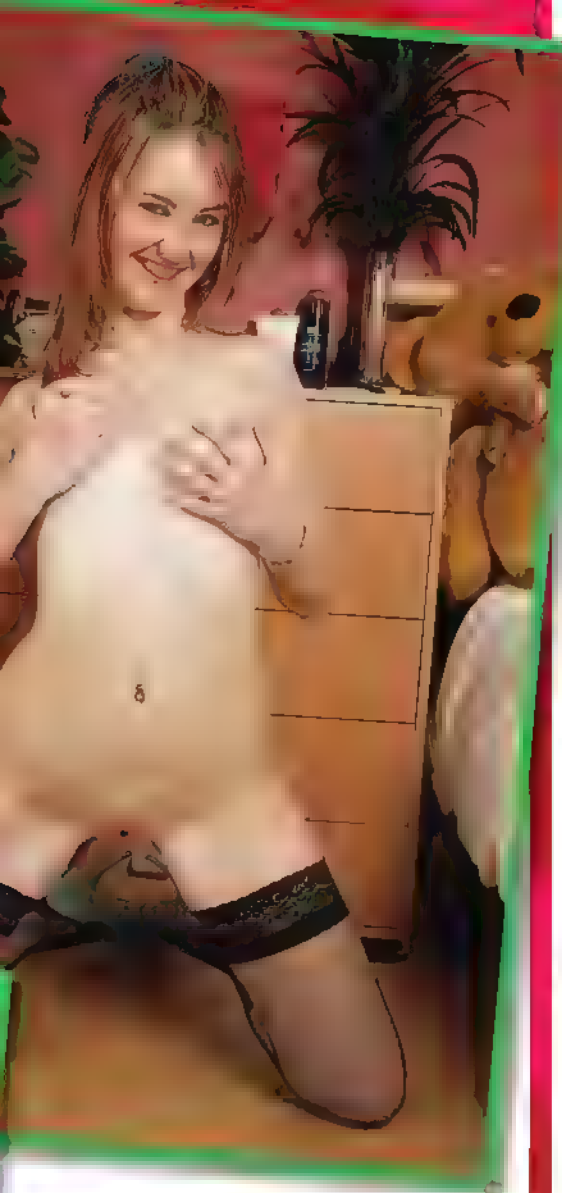

"Slowly he teased his cock inside me..."

my fingers raked his back as he began thrusting in and out of me.

He fucked me for long periods of time, making me thrust my hot pussy up to meet his plunging shaft. I had never felt such glorious pleasure and soon I had wrapped my legs around his waist to keep him tight inside me as I urged him on and on. My head was thrown back and I squealed with pleasure, coming again and again as he did me. Stuart allowed me to come a few times before gently easing out of me. Rolling off, he held me in his arms, stroking my tits gently and kissing me before asking me if I would like to try some gentle anal sex.

I was a little unsure as I was so inexperienced, but I thought that it

frantic that I came again.

Stuart scooped up my pussy juice and began working it into my ring, gently lubricating it and then pushing his finger in and out until I was sufficiently relaxed to take his cock.

He positioned me on all fours and licked and kissed my anal opening before gently easing his cockhead against my sphincter. Slowly he teased his cock inside me, all the while lightly playing with my tits. As I relaxed more he began shoving his mature manhood in my back passage with increasing force, riding me towards an incredible climax.

Then I felt him slow his pace, and he grasped my hips, pausing for a second as he came deep inside me, making me come with him.

It was the best sex I have ever had and now I have to work out a way of keeping Rob happy while I screw around with his dad.

Amen to that!

Flash Mob!

On one of our dirty weekends away a couple of weeks ago I decided to spice things up by daring my wife Emma to flash a stranger. So on the Saturday night we went for dinner and drinks, and she let slip at the bar that she wasn't wearing any knickers...

gave me a right eyeful of her lovely snatch. Turning back round, grinning, I heard a voice say, "I take it that was for your benefit?"

I laughed and explained to the guy next to me at the bar, who'd clearly seen everything, about the dare we'd had.

"Well I'm Dave, and that's my mate Harry," he said, adding

"WANK YOUR COCKS ALL OVER ME," SHE SAID.

the dare was on!

A couple of drinks later I went to the bar and, while waiting to be served I looked back at Emma. The dirty bitch

that they'd both be more than happy to play the role of the stranger in our scenario. I returned to the table to tell Emma, and she was well up for

it. We sat there

drinking our drinks, and most of the time Emma's legs were wide open, giving them a good showing of everything she's got. She whispered that her pussy was absolutely soaking and that she was desperately in need of a right good fucking, so with that I waved the lads over to come and join us at the table. Emma was shocked at first, but was soon beaming as I asked them if they'd like to come back to our hotel so they could take a proper look at her. Emma's nails dug into my arm as if to say, "What the fuck are you doing?!"

The guys agreed readily enough, and we were soon back at the hotel, with the guys sitting on the sofa in

our suite, me sitting on the bed and Emma sitting on the big armchair. She was clearly nervous, so in the end I prompted her, saying, "Go on then, give us a flash." With a dirty smile she opened her legs and showed us all her gorgeous shaven pussy. Lifting one leg over the arm of the chair to give us a better view of her open, soaking pussy, which she started fingering and stroking. Standing up, I passed her a vibe we always

Molly Good Show!

This is the latest update of the meetings between Molly, myself, and a couple we met through Escort called Dave and Ellie. We'd already met up once before

so the girls could put on a photoshoot for us, and we all agreed it was a brilliant day and that we'd have to do it again.

For the second meeting the girls had been texting each other, and Molly promised me we were in for a real treat! After a few drinks in the hotel bar they went off to get changed while me and Dave waited for the text telling us they were ready for us to join them. After what felt

as they put on a raunchy show. Ellie cupped and squeezed Molly's big boobs, and Molly did the same in turn before licking and sucking Ellie's erect nipples.

Dave and I were clicking away on our cameras when we heard Molly say, "Right, it's time you two got your cocks out!"

We didn't need asking twice, and in no time at all our trousers were off and the girls were on their knees sucking us off. Molly was soon sucking

"ELLIE WAS DEEPTHROATING DAVE."

like an age we got the text, and when we entered the room the girls were both wearing stockings and suspenders (a favourite of both Dave and me) and they looked amazing

my balls and wanking my shaft, whilst just inches away Ellie was deep-throating Dave, taking his cock all the way down.

It's always been a fantasy of mine to see Molly with a cock in each hand, and she wasn't going to disappoint me. With my cock in her mouth, she reached over and got hold of

Dave's, wanking him off while she was still sucking me. At one point Molly had both our bell-ends just millimetres away from her lips, although she stopped short of sucking us both off at the same time.

take away with us, and she grabbed it, immediately feeding it into her slippery snatch and fucking herself with it.

Then, with her dirtiest voice, she ordered us to get our cocks out. She didn't have to ask twice, and within seconds three very stiff pricks were standing right in front of her. "Wank your cocks all over me!" she said as she continued to ream the vive in and out of her hole, "I want your come all over me!" And she pulled the top of her dress down, revealing her huge tits. I knew exactly what she wanted, and one after

another we squirted our load over her jugs while she fucked her hungry cunt until she came loudly. The dirty bitch had always wanted to do that, and now she had three loads of come over her tits she was in heaven. Pulling out the vibe, as she came, she let out a massive squirt of cum all over us and herself before slumping back in the chair, utterly spent.

I have to say, she completely blew my dare out of the water that night - I'm going to have to up my game next time!

Mark, Glasgow.

**MOLLY &
ELLIE, YORKS.**

Ellie, not wanting to miss out on the action, sat on the bed and beckoned us over. She wrapped her fingers round our shafts and wanked us off furiously while Molly took over the camera duties.

Needless to say, she got some pretty amazing shots! I can't wait till next time to see what the girls have planned for us then.

Carl, Yorks.

MODEL & WHORED

Ever since we have been married my husband has told me how how I would make a good model. For years I ignored him and put it down to sweetness.

I must admit that the thought of undressing in front of strangers did turn me on. To cut a long story short, David got hold of some photographic equipment and took some shots of me.

He got them developed and whenever we went clubbing or out to dinner he would ask everybody he met what they thought of the photos, and whether they thought I'd make a good model.

To my delight everyone was really impressed. David then surprised me by placing an ad in a photographic magazine offering me as a model.

Well, the response was unbelievable - we received over two hundred phone calls. We had a great summer travelling around and posing for photographers.

I loved being the centre of attention. We had quite a number of interesting experiences and I'd love to tell everyone about the kinkiest of them.

It occurred after a shoot in Plymouth. I had posed for a really nice photographer called Brian and David and I were staying at a hotel in Plymouth that night.

Brian asked us if we'd like to come to a noir party that evening. Of course David and I said yes and we agreed to meet Brian at a pub in town beforehand.

All I wore was black stockings, high-heeled shoes and a long black leather coat. As I stepped out into the night the feeling of being naked but for

a leather cloak got my pussy wet.

After a few drinks in the pub, during which time David had a few crafty strokes of my pussy through my coat, we moved on to the party.

The inside was really dark and dingy and people were dressed in all sorts of outfits, most of them leather and all of them very revealing.

The drinks flowed, as did the horny conversation. Somewhere along the line I shed my leather coat and I must have shed all my inhibitions with it.

By this stage I was feeling totally horny. My pussy had been sneakily fingered a couple of times by David, but what it really needed was attention - lots of it!

David must have read my mind because he led me to a table in the middle of the room, whispering in my ear that I should let myself go and enjoy it.

I acquiesced, my heart pounding, as David and Brian lifted me onto the table and laid me on my back. They bent my legs at the knee and spread them wide.

I trembled and my pussy ached in anticipation as they tied me to the table by my ankles and wrists. I was at everyone's mercy, and I couldn't have been more turned on.

Now everyone in the room was allowed to come up to me and do whatever they wanted. The first person up was a girl dressed in a catsuit. She knelt between my thighs and lapped at my cunt.

Before long I had girls licking, stroking and fingering me all over. The blokes were fondling and rubbing me, and loads of them were watching the sordid scene and wanking.

I was on an amazing sexual high. I had orgasm upon orgasm until I thought I could cum no more.

That was one of many sex sessions I had over the summer. Another highlight was a porno David and I made. That was fun, but not quite as fun as the party!

Dee, Devon.
